TEST PLAN

OpenCart Frontend Testing

Prepared by: Rafia Haider

Date: April 18, 2026

1. Objective

The objective of this test plan is to validate the frontend functionality of the OpenCart e-commerce application. This includes verifying that all user-facing features work correctly, the UI behaves as expected, and the application handles both valid and invalid inputs properly.

2. Scope

In Scope

- User Registration
- User Login & Logout
- Forgot Password
- Search Functionality
- Shopping Cart (Add, Remove, Update)
- Product Detail Page
- Checkout Process
- Order Confirmation

Out of Scope

- Home Page
- Admin Panel
- Payment Gateway
- Backend / Database
- Mobile app
- Performance & Load Testing
- Contact Us page
- Product Categories & Filters

3. Test Environment

Item	Details
Application URL	https://demo.opencart.com
Operating System	Windows 11
Browser	Brave browser
Device	Laptop
Internet Connection	Required

4. Test Types

- **Functional Testing** — verifying each feature works as expected
- **UI Testing** — checking layout, buttons, labels, and navigation
- **Negative Testing** — entering invalid data to check error handling

5. Modules to be Tested

1. User Registration
2. User Login
3. User Logout
4. Forgot Password
5. Search
6. Shopping Cart: Add to Cart (Product Listing Page)
7. Shopping Cart: Remove from Cart
8. Shopping Cart: Update Cart
9. Product Detail Page
10. Shopping Cart: Add to Cart (Product Detail Page)
11. Order Confirmation
12. Checkout

6. Entry & Exit Criteria

Entry Criteria

- Application is accessible via browser
- Test cases are prepared
- Test environment is set up

Exit Criteria

- All test cases have been executed
- All critical and major bugs are reported
- Bug reports are logged in Jira

7. Deliverables

- Test Plan
- Test Scenarios
- Test Cases
- Bug Report with Screenshots

8. Tools Used

Tool	Purpose
demo.opencart.com	Application under test
Microsoft Excel	Writing test cases
Jira	Bug tracking and reporting

Snipping Tool	Capturing bug screenshots
GitHub	Storing and sharing project
